

# REGIONAL EXPERIENTIAL LEARNING OPPORTUNITIES

## TEACHER EXTERNSHIPS

- \$2,500 STIPEND!
- Partnerships between educators and business & industry can begin with a teacher externship experience. The program will introduce educators to an array of industries allowing them to speak from experience as they advise students on career goals and education options.

## STUDENT EXPERIENCESHIPS

- Experienceships provide personalized learning opportunities to students and engage the community in growing an Ohio-ready workforce. Hear from students and how the Experienceship program created options for them to learn and expand their career options post-high school.

## PRE-APPRENTICESHIPS/APPRENTICESHIPS

- The Pre-Apprenticeship program teaches basic technical and job-readiness skills for a designated apprentice occupation or sector to prepare students for a formal Registered Apprenticeship training program.
