HEALTHFORCE 2020

Virtual Healthcare Careers Expo Event for high school students

EXHIBITOR OPPORTUNITY

\$100 (The Health Collaborative Members)

\$225 (Non-Member Healthcare & Educational Partners)

Please note this significant exhibitor price break is to give regional healthcare employers and partners the opportunity to participate in this event, in spite of any budget adjustments/concerns this year due to COVID-19.

Included in your "Virtual" Booth:

- 20 Minute segment to present a healthcare profession, department or field of study to hundreds of high school students, parents & teachers.
- Share opportunities (such as internships, volunteer needs, events and courses/degrees, when applicable) with an interested population.
- Exhibitor Session will be recorded - ensuring your segment and organization will have additional reach beyond the Live Event.
- Built in Live Chat Feature - allowing you the opportunity to engage with students in real time.
- Once signed up, exhibitors will be featured on the HealthFORCE Expo event - meaning the sooner you sign up, the larger your audience reach!
- Exhibitors featured on both The Health Collaborative and TAP HEALTH social media.
- Tech rehearsal to ensure familiarity and comfort with event platform.
